WHAT'S  
WRONG?

NO...

IT'S NOTHING.

A close-up of a mechanical arm, possibly from a robot or a piece of heavy machinery. The arm is dark grey or black, with a cylindrical joint. A speech bubble is positioned near the joint. The background is a soft, out-of-focus mix of light blue and pink. In the bottom left corner, there is a small, dark, rectangular object.

A character with long, flowing purple hair is shown from the back, looking down a path. The path is lined with several small potted plants that have yellow flowers. The background is a bright, hazy sky. The character is wearing a dark blue or black garment.

A comic panel showing a person's legs from the knees down. They are wearing a light-colored skirt and black high-heeled shoes. A speech bubble is positioned above the legs, and a thought bubble is below them.
